INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Personally appeared before the undersigned, Emily Martin, who being duly sworn depose and saith that she is more than seventy five years old, but the family record was lost, and she does not know her exact age, and that she was a daughter of Phillip Edmondson and Katie Waycaster, by a former marriage to the time she married Charley Crane, and she was at that time, the time she married Crane a very small child, but she remembers the time and occurrence. Deponent knows that Charley Crane was a full blood Cherokee Indian, from reports, and he had every appearance of being a full blood Indian, for he used very peculiar language to deponent, and language which she could not well understand, and very like other Indians she has seen, and from his talk, appearance, and the reputation in the community, deponent believes that Charley Crane was a full blood Cherokee Indian, and deponent knows that Frances Caroline Crane is his child, and that he and her mother were married and lived together as husband and wife at the time she was born. Deponent knows that when she was about six years old that Charley Crane was drowned in a creek in Greenville County, South Carolina.

Deponent remembers that Charley Crane was a great fisherman, and that when Frances Caroline was a small baby that he would tie her up in a sheet, or piece of cloth, and take her off fishing, and keep her nearly all day, and catch great numbers of fish.

Sizemore.

Matilda Davis being first duly sworn deposes and says:

I am now 60 years of age, and live in Ashe County, N.C. I was born in this county, and, with the exception of five years spent in Virginia, I have lived here all of my life. I have always been taught that I was of Indian descent from the Sizemore. I do not know what kind of Indians the Sizemores were thought to be. My Indian blood comes through my mother who was a Blavins. I have heard my mother say that her grandfather was a full-blood Indian. His name was Maddie Sizemore. I reckon she was born in Ashe County, and lived there most of her life. She was very old at the time of her death, and her sister died when she was small. I believe my mother's mother was Lydia Blavins, and if my mother, Matilda Blavins, received any money from the Government on account of her Indian blood I never heard it. I never received any money, and never applied for land or money in the Indian Territory. Most of my connections known applied, but I told them I did not know anything about it, and did not want to tell anything that was not the truth. My connections had all applied for this Cherokee money, and I thought at this time I would apply, because all the rest did. I do not think my brothers got any land from their claim, but, I think, they were promised some. I have heard of my Indian blood only twenty years ago. I have four children who did not apply for this fund, and seven who did. William Lunny, Roby, Alice, and Andy are the four children who did not apply.

deposes and says:

I am 67 years of age; was born in Oglethorpe County, Ga. I claim Cherokee Indian blood through my father. I have never received any Indian money from the government. I never heard anything of this until my nephew came to me and told me there was money coming to people related to the Indians. My father never received any Indian money. He died when I was small. The Indians were carried away before I remember. My grandfather married an Indian lady.

George Jones,

Station 1, Box 15,

Sir:-

Your letter of July 8, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed supplemental application blank and return to this office.

App. #18098.

September 12, 1907.

George Jones,
Joplin,
Missouri.

Sir:-

Replying to your letter of September 9, 1907, you are again advised that it is impossible to state, at the present time, whether or not you are entitled to share in the Eastern Cherokee fund, as your application has not been reached for final determination.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

When your application is reached for final consideration you will be notified if there is any further information required in connection with the same.

Very respectfully,

Special Commissioner.

George Jones being first duly sworn, deposes and says:

My name is George Jones. I live at Station "1, Box 18, Joplin, Mo. I was born in 1871 in Johnson Co., Ark. I claim my Cherokee blood through my father, John Jones. My father was born in 1841 in Tenn. about 14 miles from the town Fulaski. My father lived with the white people in Tenn. He never was a recognized member of the Cherokee tribe of Indians. He never tried to be. He gets his Indian blood from his mother, Earsley Hicks. She was born in Tenn. in 1808. She lived with the Indians in Tenn. I don't know exactly what part. She was a recognized member of the tribe, and lived with them. She left the Indians when she got married in 1836. She went with her husband. After that time she never had anything more to do with the Indians. She never received any money or land from the Govt. on account of her Indian blood. I don't know whether she was ever enrolled. I never made an application before the Dawes Commission.

says:

My name is John R. Smith. I know Prean Linder. I am 34 years old and live in this District, Sequoyah. Prean Linder is about 10 or 12 years old. I also know Owen Leonard. They have Cherokee Indian blood through their father. They were enrolled by the Dawes Commission, Cherokee Roll #22769 Owen Leonard; Prean Linder #22768. They got their blood from their father only. Mother was white. Fines Linder was their father. He is dead; died 8 or 9 years ago. He lived in this District. He was raised here. He must have been 25 or 26 years old. He got his blood from both father and mother. His mother's name was Martha Linder. She lived in this District. I think her maiden name was Vann. She was raised by Vann. His father was Auger Linder. I don't know whether he had a middle name. He lived in this District. He had brothers and sisters: Hiram Linder is the only one living. John is dead; Mallie also; and Ned who I think was older. I do not know whether Martha Vann had any brothers and sisters. I think she did not have any. I think Auger Linder had sisters and brothers but cannot name any of them. Auger had a brother named John and he lives in Cherokee County. Martha Vann lived in Canadian District. He always remained a Cherokee. I don't know whether they were ever regarded as Old Settlers. I think Martha A. Vann was regarded as an Old Settler. This is all I know about this case.

Give the names of your uncles and aunts and great-uncles and great-aunts on the side through which you claim.

Was the grandparent through whom you claim recognized where he or she lived as a white person or an Indian? Did that grandparent live with white people or with the Indians?

Give the name of the great-grandparent through whom you claim, and, if a woman, give her name both before and after marriage. If you, your parent, and grandparent through whom you claim were ever enrolled, please indicate under what names, where and when you or they were enrolled. If neither you nor they have ever been enrolled, please state why.

Where were you residing in 1882? Did your ancestors, John Hubbard, John Chapman, or Harriet Watson have any Cherokee Indian blood, or were they full-blooded white men? Did any of them live or associate with the Eastern Cherokee Tribe? If so, state where and when.

Very respectfully,

Edith A. H. H. H.

COURT OF CLAIMS EASTERN CHEROKEES.
Rec. AUG 7 1909
No.

In Matter of $\frac{3}{4}$ In Court Claiming
Polly A. Jarrell $\frac{3}{4}$ Washington D. C.

Now comes Polly A. Jarrell whose P.O. address is
Bedias Grimes Co. Texas +
original application for participation
in funds of Eastern Cherokee is
numbered, 18129 and specially excepts to
report of Guion Miller, Special Commissioner
made to said court on May 28, 1909
in which report her claim was rejected
and represents to the court
that her claim should have
been allowed and her name enrolled
as one of those entitled to participate
in the distribution of said
funds for the following
reasons to wit:

My grand mother Quilla Ann Van
who married Wm Maddox
died prior to 1835. She was a
half blood Eastern Cherokee
Indian, and through whom
I claim my Indian blood
This Quilla Ann Maddox has
two sons & three daughters. John Maddox
Lettie Maddox, Nancy Maddox, Lizzie
Maddox and George H. Maddox
and Geo. H. Maddox being my

father. Quilla Ann Van's mother
was a full blood Cherokee Indian
and I do not know of any other name
she had, but think her name was
Lucy. None of relations were
ever enrolled to my knowledge
because when the Indians were
removed from Georgia across the
Mississippi river, they remained
in Georgia, except my great uncle
Joe and Arie Van who went with
the Indian, from whom I have
never heard since, my father Geo.
W. Maddox, whose mother Quilla Ann
Maddox was half blood as above stated,
was about 22 years old in 1835, he
died in Polk County Georgia, May 16, 1888

Believing that I am entitled to parti-
-cipate in said funds, I ask that
this claim be allowed

Sir:-

Relative to your application #4483 for a share of the money appropriated for the Eastern Cherokee Indians, you state that your father, Daniel Fields, is on the roll of 1851. The name of Daniel Fields does not appear upon the roll of 1851, nor does that of Donali. Neither does your mother's Indian name, Ge-squa-ne-go-lee, appear upon the roll of 1851. Kindly state what your mother's English name was, although I see you state you do not know it.

Please consult some of your relatives and ask them if they know what English name she bore, and in what district your father, Daniel Fields, was enrolled in 1851. I understand what the Illinois District is, but not the Sequoyah. Kindly give the name for Sequoyah as it was used in 1851. What were the names of your father's brothers and sisters if he had any, and was your grandfather, John Fields, alive in 1851? If so, where did he reside, and from what district was he enrolled? What was the name of your grandmother, the wife of John Fields? Why were you not enrolled in 1851 under the name of Squirrel Fields? If you were enrolled under another name, please state what that name was and in what district you were enrolled.

Appl. #18148-18147

Cader Stancil being first duly sworn, deposes and says:

My name is Cader Stancil. I live in S. C. I claim Cherokee Indian blood through my father and his mother. My father died in 1865 and was 50 odd years old when he died. He was born in S. C. I don't know what County. My grandmother came from S. C. My ~~father~~ and grandmother were recognized as more of an Indian than my father was. My grandmother lived with the Indians as long as she stayed here. My grandmother moved to Ga. when my father was small. The Indians were around her. They lived amongst the Indians. They were living around here when the Indians were driven away from here. They did not go away with the Indians. My grandfather was a white man, and did not have any Indian blood. I have heard of my father and grandmother say they lived amongst the Indians. I don't recollect what they said about it. I have just heard my father talk about living amongst the Indians. My father did not own land here. My grandfather owned land here. My grandfather owned three or four places. My grandfather and my grandmother kept house there. I never heard of the Indians living on their place there. My father and grandmother and I never got any money or land on account of our Indian blood. In 1851 we were living in Cherokee Co. Ga. In 1882 I was living in Lumpkin County, Ga. I don't know why my father and I were not enrolled at those times. My grandmother, my father were living around in this country when the Indians were driven away. My grandmother wanted to go, but my grandfather wouldn't go. My grandmother wasn't driven away.

Mrs. Gillis has no minor children but does have two adult living children both of whom have minor children. There is also an adult grand-child of Mrs. Gillis whose mother is dead.

We presume that under the recent ruling all these persons are entitled to participate provided Mrs. Elizabeth Gillis is able to establish her right. Sirs:-

Your letter of May 29, 1907, relative to the application of Elizabeth Gillis for participation in the Eastern Cherokee fund, is at hand.

You are advised that the applications have not been taken up for final consideration, as the Court of Claims in its order of April 28, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 23,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

No. 18153

Elizabeth Gillis, after being first duly sworn, deposes and says:

I am about 70 years of age; was born in East Tennessee close to Sequatchie. I was four or five years old when I left Tennessee. We came out here with the Indians in 1846. I had orders from the Chief to take up land but never did. My father was the Indian and came West when I did. When I was about 7 years old my father drew some money. My father went to Illinois when he came West. I have understood that in 1852 an agent was sent from the Cherokee Nation to Jackson County, Ill. where my father and others were enrolled.

Dear Sir:

We inclose herewith two affidavits in the case of Elizabeth Gilles, applicant for share of the East Cherokee Fund.

By these affidavits the age of William Reed, the father of the applicant is established and also the locality in Tennessee from which the family came. We trust that this latter information is sufficient to corroborate our idea that the father of Elizabeth Gilles is the "Wm. Reed" whose name appears on the 1838 roll, tho the identity will only be fixed by reference to records which are in your possession we suppose. We shall be glad to have you notify us as to whether you, personally, believe the information furnished is sufficient to establish the connection desired, as in case you think it insufficient we may yet be able to obtain other affidavits as the attorneys to whom we sent the papers for execution write that it might be possible to obtain other testimony. We shall appreciate a reply from you as to this matter.

Elizabeth Reed Gillis.

Elizabeth Reed Gillis, the claimant, of Tulsa, Okla., aged 70 years, claims Cherokee descent through her father, William Reed, the son of James Reed, both of whom are alleged to have lived in East Tenn., and to have moved to Jackson Co., Ill. about the year 1842 or 43, (miscel. test. page 2557).

Claimant herself was not enrolled in 1851, nor was her father William Reed and his several brothers and sisters; nor the grandfather, James Reed, all of whom were living in Ill. at that time, ~~enrolled~~. There is, however, a William Reed enrolled in 1835, (page 4). Obviously this William Reed cannot be William Reed, the father of Elizabeth R. Gillis, for the following reasons: ~~Am~~ Reed, enrolled on page 4 on the 1835 rolls, was a farmer living alone without family connections, holding two slaves, and was a quardroon, regarded as a white man, and connected by marriage with the Cherokees. He lived on Long Savannah in Tenn. In the affidavit of John Albert Reed, a brother of the claimant, and himself not an applicant, he states that his father, William Reed, was a full blood Indian, and while living at the foot of the Cumberland mountains was engaged in "scotching wagons up the mountains". If he was a full blood Indian engaged in business on the mountains, he could not have been the William Reed, a quardroon, engaged in farming on the so called Long Savannah. John A. Reed further states that his father, William Reed, talked about being enrolled, but that he does not know that he ever was so enrolled.

Ezekiel Barber, aged 78, of Sparta, Ill., states in an affidavit made July 6, 1906, and filed in this case, that he was well acquainted with James Reed, a full blood Indian, and the father of William Reed, and that during the years 1836-7 the said James Reed lived in Jackson Co., Ill., from which it would appear that James Reed, his son William Reed, and the 7 or 8 members of his family, being the grandfather, father, uncles and aunts of this claimant, removed to Ill. from Tenn. anywhere from 1836 to 1842, and there is nothing to show that this William Reed could possibly have been the quardroon above referred to, and enrolled in 1835. But on the contrary there is every reason, from the testimony in this case, to conclude that William Reed, the father of the claimant, was not enrolled in 1835, or 1851. This case is therefore rejected.

Martha Dedmon being first duly sworn, deposes and says:--

My name is Martha Dedmon. I live at 99 Roseville, Ave. Chattanooga. I was born in 1836 in Macon, N. C. I claim to be connected by blood to the Cherokee tribe of Indians. I claim through my father. ~~in~~ My father and I have been recognized as white people. My father was a member of the Cherokee tribe. He did not associate with the Indians, but they were around about us. He used to visit the Indians, and they visited us. My father voted. Neither my father or I have ever been enrolled. My father would not apply to be enrolled because he owned land. My father was born in 1818. My father owned land in N. C. Before I was born. My father left his lands, and went to Ga. when the Indians were driven out. I was in Georgia in 1882. (Catoosa County). My father was not enrolled in 1851 because he did not want to be. He lived in Catoosa County, Ga. at that time. My father was not enrolled in 1835, because he did not want to be taken off with the Indians. My father claimed through his mother. She was called Henderson before she married my grandfather. My father prior to and about 1835 left North Carolina, and went to Georgia, and lived with the white people, and voted with them.

Dear Sir:-

Ambrose Kennedy of Whiteside, Tennessee, has asked me to ascertain the status of his wife's application claim No. 18191, in regard to the EASTERN CHEROKEES.

He informed me that he received notice once to come to Chattanooga to prove his claim, but there was such a great number to be examined that his was continued till a later date. And that later he received a letter from you saying that your agent would be at South Pittsburg, Tenn. on June 23rd 1908, but did not receive the letter in time, the letter being dated June 20th.

Since that time he has heard no more about it. He is an illiterate man and has just neglected to do anything about it sooner. I do not know just when the application was filed.

I shall be glad to know the status of this claim, and whether or not they may still realize something from it.

Yours very truly,

husband of late Mary Ann Kennedy, ^{decd.} whose applica-
tion for participation in the fund for Eastern Cher-
okee Indians, is no 18,171. That she lived with her
parents in Polk County Tennessee in 1882. That
if she was not enrolled at that time, it was be-
cause she had no notice of such enrollment, and
had no information about it. That the understanding
in the family was that her fore parents on her
father's side, were enrolled in 1851. That her
Grand parents according to information
and belief, on her father's side, resided in Polk
County Tennessee. That, neither her ~~pop~~ parents
or grand parents were slaves, either of
white people or Indians. Affiant states that
he makes this statement from information given
him by his wife, who is now dead.

WILL H. BOWLIN

ATTORNEY AT LAW

February 19, 1909.

Guion Miller, Special Commissioner,
Washington, D. C.

Dear Sir:-

On February 15th I wrote you in regard to the status of claim No. 18191, Mrs. Ambrose Kennedy, and to-day received a circular or general letter saying that your report will be made to the Court of Claims in May.

The object of my letter was not to hurry up the distribution of the fund, as your answer would indicate, but to find out whether or not the time for taking proof has expired.

Through a delay in your letter of June 20, 1908, Kennedy was not able to meet your assistant at South Pittsburg, Tennessee, on June 23rd 1908. They being illiterate people did not know what to do, and have neglected the claim till now.

Mrs. Kennedy, I understand, has died since the filing of the claim, but leaves three children.

I wish to know whether or not the claim has been lost by delay. May proof still be taken to establish the claim? If so, when and where? If claim is still good will it have to be revived in the name of her children?

I will greatly appreciate it if you will give me all the information you can in regard to this claim.

Yours truly,

W. H. Bowlin

Sir:

Replying to your letter of February 19, 1909, relative to the application of Mary A. Kennedy, you are advised that until I make my report to the Court I do not feel at liberty to announce my decision in regard to any particular case.

However, you are advised that the information already furnished in connection with this case is sufficient for the final adjudication of the same.

Very respectfully,

Special Commissioner.

and children.

Residence:

Salts Creek, Tenn. -

Reasons:

Elizabeth Rose and Margaret Jeffries, mother and grand-mother of this ward through whom Cherokee descent is claimed, were not enrolled in 1835 nor 1851. - Nothing to show Cherokee enumeration at time of the trakers of 1835-6 or since. Claimants alleged Indian ancestors were born in Virginia prior from the Cherokee domain. - Notice sent for Joshua Rose to appear before the Commission ^{for ex officio} but he failed to appear.

Alexander Jeffries, surviving grandfather of this ward, says ancestors of Lilla Rose were never enrolled that he knows of! See letter in this case.
